Specifications and Services

The Port of Kalama is located on the Columbia River 75 miles from the Pacific Ocean. SSA Marine's operations at the Port of Kalama are managed from the Longview, WA office.

The Port's North Port Marine Terminal provides for loading and unloading of breakbulk cargo. Presently, large hot coils and some steel products are being imported at the terminal.

Additionally, there are two export grain elevators and terminals located on Port properties. The Port also has 200 acres of industrial property available for lease.

Both Burlington Northern Santa Fe (BNSF) and Union Pacific (UPRR) railroads service the Port. The Port also has immediate access to Interstate 5.
